Duniway Stockroom Corporation performs repair and rebuilding services for a wide variety of blowers. All blowers are rebuilt at our location in Mountain View, CA and each leaves with our standard 90-day warranty. Blowers taken in for a complete rebuild undergo the following process:

- Disassembly, inspection and cleaning.
- Total replacement of all seals, gaskets, bearings, o-rings and bushing sleeves.
- All other parts replaced as required.
- Two or more changes of hydrocarbon oil.
- Complete test run for 24 hours.
- Exterior painting and a final tagging of rebuild information.
- For a small charge, standard or chemical series pumps can be prepped for "Fomblin" (inert fluid).
